

EDUCATIONAL ALLIANCE

197 EAST BROADWAY, NEW YORK

THE EDUCATIONAL ALLIANCE offers a free course of popular lectures and discussions on American history, government, customs and general conditions.

The lectures will be given in simple English so that persons having a slight command of the language can understand them.

While the course is open to all, it is especially designed to meet the needs of those who have attended the Public Evening Schools for Immigrants during the past season.

The course will be open on SATURDAY EVENING, APRIL 2nd, 1910, in rooms 20 and 21. Lectures begin promptly at 8.30 p. m.
